Accord Hospice becomes Community Health Accreditation Program certified

September 27, 2014; Community Health Accreditation Program Inc. recently announced that Accord Hospice of Manhattan, has been awarded CHAP accreditation under the CHAP Hospice Standards of Excellence.

Accord Hospice of Manhattan is a new hospice agency providing services to patients and their families throughout Riley, Clay, Dickinson, Geary, Jackson, Marshall, Nemaha, Pottawatomie, Shawnee Wabaunsee and Washington counties. CHAP accreditation demonstrates that Community Hospice meets the industry's highest nationally recognized standards. Evaluation by CHAP focuses on structure and function; quality of services and products; human and financial resources; and long term viability. In addition to CHAP accreditation, Accord Hospice continues as a certified Medicare provider.

Accord Hospice of Manhattan is one of very few hospices in the area to seek and receive CHAP certification.

Patients and their families who receive services will experience the highest quality care and be surrounded by the company's commitment to exceptional care, customer satisfaction and a culture that amplifies dignity and respect. The creation of Accord Health Group, the parent company of Accord Hospice, comes at a time where there is a need of strong healthcare providers that focus on the patient, their families and a health care workforce with the expertise to meet their unique needs.
